

## North Manchester General Hospital Garden Works at Park House and Victoria Park Day Centre

Whitfield & Brown undertook extensive landscape gardening works for Manchester Mental Health NHS Trust in two separate locations.

### Park House

The works comprised alterations and improvement to existing garden areas and courtyards including the installation of a new summerhouse and various water features, sheds and greenhouses.

A New canopy was also constructed along with new paths, paving, garden furniture, lighting, planting and landscaping works. Inside the existing building we created a new waiting area.

### Victoria Park Day Centre

The formation of a new external door opening and associated heating works along with works to the front garden and footpaths.
